

18200CH

NICOR Chicago Approved Steel Housing

Product Description

The 18200CH series model is designed for Chicago applications where a steel housing is required. The unit is designed for both new and retrofit installations and offers high-power efficiency and uniform EXIT legend illumination. The 18200CH is ideal for stores, offices, hospitals, and school corridors.

Construction

- 20-gauge steel housing with white finish
- White corrosion-resistant polyester powder-coat paint with knock-outs for installation
- Red silk-screened letter on white phosphorescent
- Heat-tempered, impact-resistant glass lens
- Steel canopy allows ceiling or end mounting
- Universal pattern knockout on top and side for direct mounting to junction box

Electrical

- Dual-voltage input 100-300VAC
- Maintenance-free nickel-cadmium battery
- Energy saving LED lamp source

Installation

- UL 924 listed for damp location and City of Chicago approved
- Universal pattern knock-out on top and side for direct mounting to junction box

Warranty

- 3 year warranty

Specifications and dimensions subject to change without notice
