

18200RB

LED Black Exit Sign W/Red Text

Product Description

This thermoplastic LED exit combines a low-profile, contemporary design with the performance and dependability of LED technology in an affordable package. The 18200 Series is available in white or black and offers universal mounting, power-on LED indicator light, push-to-test switch and Ni-Cad battery with optional remote capabilities. The 18200 Series is a perfect modern-day, LED design for your project.
